MUMBAI: Santosh Daundkar, a social worker, filed an application with the JJ Marg police station on Sunday asking it to register a theft complaint for Anti-Terrorism Squad's (ATS) slain chief Hemant Karkare's missing bulletproof jacket. Karkare died on 26/11 near Cama Hospital. Home minister R R Patil also ordered a probe into the missing bulletproof jacket.

The application, a copy of which is with the TOI, stated, "From the media reports it became apparent that despite the bulletproof jacket, bullets pierced his (Karkare's) body. It thus became logically apparent that the jacket failed." The complaint further stated, "It is a matter of fact that the bulletproof jacket had been purchased by senior officers after committing several illegalities. The sub-standard jackets were returned and supplied to police again."

The complainant said Karkare arrived dead in JJ Hospital. "The jacket was removed in the hospital. And then it went missing. First, the jacket was stolen and then the file containing information about the purchase of sub-standard jackets went missing from the police commissioner's office," said former IPS officer-turned-lawyer, Y P Singh counsel for Daundkar.

Khanderao Patil, senior inspector, JJ Marg police station, said, "The application has been sent to senior police officers. Once we get instructions, we will take action."
