New Delhi 15-July (RINA): Campus Front of India JNU chapter today organized a protest at Jantar Mantar Demanding a neutral enquiry in all the bomb blast.

Taking strong exception of the affidavits submitted in court in the Ishrat Jahan fake encounter case by the home ministry under-Secretary RVS Mani which has said that Sateesh Varma shared with him the information that parliament attack and 26/11 attacks were handiworks of the state with the

objective of strengthening the counter terror legislations. Also adding that attack on parliament was followed on POTA (Prevention Of Terrorism Act) and attack on 26/11 was followed by an Amendment of UAPA (Unlawful Activity Prevention Act) the protest was organized by JNU chapter of Campus Front.

Speaking at the protest Mr. P AbdulNazar (National President Campus Front) said it is a serious allegation by a senior officer of India's most important investigation agency .taking in consideration that hundreds died during terror attacks of 26-11 and parliament attacks and few were prosecuted and hanged even.

“We demand government of India to order an independent and impartial probe consisting of civil right activists lawyers journalists and civil services officers. It's really a letdown that Indian government is accused of killing its own citizens for strengthening black laws and raking up support for it. In light of widespread misuse of these acts and the nose saving of errant officers it's hard to disagree with this revelation. We demand Indian government to ascertain who was behind the acts of terror (allegedly false flags). And bring those culprits to fore, and punish them” he added.
