Bulgarian Officials Perform Autopsies on Two of the Kedoshim [UPDATED 16:40 IL]

(Thursday, July 19th, 2012)

(<http://www.theyeshivaworld.com/wp-content/uploads/2012/07/zaka.jpg>) Zaka officials in Eretz Yisrael are using all their diplomatic clout to prevent autopsies on the kedoshim, the five Israelis murdered in the **terror attack** (**(<http://www.theyeshivaworld.com/news/General+News/134969/Investigation-into-Burgas-Attack-Underway.html>)**) in Bulgaria.

According to Zaka official Yossi Landau in Bulgaria, officials in that country simply do not understand what it means for Jews when they speak of an autopsy and despite all efforts to prevent the post mortems, it appears local officials are unwilling to release bodies until the surgical procedure is done.

Realizing all avenues of intervention in Bulgaria have been exhausted, Zaka officials in Eretz Yisrael have turned to the senior Israeli diplomatic community for intervention.

16:40 IL

Despite Zaka's best effort, Bulgarian officials performed an autopsy on two of the Kedoshim murdered in Bulgaria.
