PATNA: JD(U) Rajya Sabha member M Ejaz Ali on Monday demanded a high-level probe into the killings of three police officials of Maharashtra -- Hemant Karkare, Ashok Kamte and Vijay Saloskar -- in the recent Mumbai terror attack.

He said that these most upright and dedicated police officials had fallen victims to a deep laid conspiracy on the fateful day in Mumbai. A high-level probe preferably by a sitting Supreme Court judge would unravel the mystery behind their gruesome killings, he said.

Talking to TOI, Ali said that these police officials were probing the most sensitive Malegaon blast incident in which several VHP leaders and a senior Army official were allegedly involved. Karkare, the former Maharashtra ATS chief, had already exposed them in his confidential report to the Maharashtra government. Thus, the possibility of these officials being killed under mysterious circumstances could not be ruled out, he said, adding a road being constructed at Yasuddinnagar in Phulwari would be named after Hemant Karkare as a mark of respect to him.

Ali, who had raised this issue in the Rajya Sabha earlier, said that JD(U) must sever its ties with the BJP. The minority community would support JD(U) in the next parliamentary polls if it decides to fight it alone, he said.

Ali said that JD(U) would do much better in the forthcoming Lok Sabha polls on its own due to various development works undertaken by the Nitish Kumar government.
