

Islamic terror spouting journalist called Aziz Burney

03/02/2011 12:53:08 V. SUNDARAM I.A.S

An anti-National and virulently anti-Hindu traitor called Aziz Burney is the Group Editor of Sahara Publications like Roznama Rashtriya Sahara (Daily) Bazm-e-Sahara (Monthly) Aalmi Sahara (Weekly). But he derives his inspiration and strength from his intimate and close political friendship with our Islam embracing Dr. Manmohan Singh, the MOST CORRUPT PRIME MINISTER of India and the GREATEST FACILITATOR, PROMOTER, PROTECTOR, FRIEND AND COMRADE-IN-ARMS OF THE MOST STINKING OF ALL SCAMS AND SCAMSTERS, not only within his odious and odoriferous Government but in the wider world in India and abroad.

I am not making any irresponsible statement here! Aziz Burney, a shining symbol of "Islamic compassion" and "Global Islamic Brotherhood" formed part of the official delegation led by INDIA'S ONLY UNELECTED PRIME MINISTER Dr Manmohan Singh when he visited France and Egypt in 2009. This great Pakistan-embracing journalist Aziz Burney had alleged in one of his articles that the Indian Army was responsible for 26/11 Mumbai Islamic terrorist attack in 2008. He has been persistently carrying on a strident anti-national Islamist propoganda through his venom-spitting articles against the Indian Government, Indian Army and the Hindus of India.

Aziz Burney has also been virulently vocal IN HIS VITUPERATIVE MULLAH ASSERTION that the RSS was also responsible for the 26/11 terrorist attack in Mumbai in 2008. The Ministry of Home Affairs, Government of India, the Prime Minister's Office, RAW, Intelligence Bureau, had no official objection whatsoever to the Prime Minister taking this known Islamic terrorist Aziz Burney as the "Secular non-Communal" part of his Official Entourage! So much for our "distinguished", "honest", "innocent", "cosmopolitan" and "secular" Prime Minister!!

Aziz Burney feted by the Prime Minister Dr Manmohan Singh

I have read innumerable articles written by Aziz Burney who has castigated the RSS Swayamsevaks as Hindu terrorists and attacked the RSS as a Hindu terrorist organisation. No wonder he is a bosom friend of Pa(kistani!) Chidambaram, the political criminal inventor of "Saffron terrorism".

In the early part of the year 2009, this "noble and compassionate Muslim" (testimonial given by Sonia Gandhi, Rahul Gandhi, Chidambaram, Digvijay Singh and other terrorism Islam-embracing CONgressmen) wrote an article in which he said that the ATS chief Hemant Karkare, who lost his life in the terrorists' attack on Mumbai in November 2009, was killed by the Indian Army. He had also alleged that RSS and Gujarat Chief Minister Narendra Modi were involved in this terrorist attack on Mumbai. Was not Aziz Burney guilty of treason? For anti-National writers like Aziz Burney only the ISI in Pakistan stands for 'Global Peace and Tranquility'! For journalistic gangsters like him, only the RSS is a terrorist organization and not Allah's own SIMI.

In August 2009, Aziz Burney was dragged into a Session's Court in Mumbai for publishing anti-India articles in his Sahara Group Publications. That case is still going on in that Court.

That case against Aziz Burney was filed by Shri Vinay Joshi, a social worker from Mumbai. On that occasion, Shri Joshi had said, "Burney is always writing against the security system, secret agencies and foreign Ministry of this country. Therefore, we have filed a case against such writings. We have also made a demand to book Burney under MCOCA or National Security Act and to take necessary action against him." The advocate of Shri. Joshi had stated that the case against Burney had been filed under clauses 121, 107, 108, 117, 124(A), 153 (A)(B), 502 (2) and 506 of the Indian Penal Code.

(Courtesy <http://www.hindujagruti.org/news/7598.html>) So Much for the exemplary Credentials of Aziz Burney!

Digvijay Singh, the greatest dhimmi Congress "secular Hindu" champion of Islamic terrorism against the Hindus of India and a sworn enemy of Bharat Mata, is a true and committed disciple of Aziz Burney. He has mortgaged his mind, heart and soul in perpetuity to the Italian Firangi Memsahib Sonia Gandhi and as directed by her, with threat of fearsome consequences, from time to time, he willingly takes his hate-filled lessons relating to anti-RSS and anti-Hindu Islamic terrorism from the venomous jihadi nersonae of Aziz Burney.

“India was the Motherland of our race and Sanskrit the Mother of Europe's languages. India was the Mother of our Philosophy, of much of our Mathematic's, of the ideals embodied in Christianity ...of Self-Government and Democracy. In many ways Mother India is the Mother of us all..”

Digvijay Singh, a friend and comrade-in-arms of Aziz Burney in all his Islamic terrorism activities, enjoying the full informal official support of the Government of India and the full political support of the Firangi Memsahib Sonia Gandhi, released a book provocatively titled 'RSS ka Shadyantra, 26/11 (RSS conspiracy, 26/11)' authored by Aziz Burney at a public function in New Delhi on 6th December 2010. I am presenting below the photograph of Digvijay Singh releasing this jihadi terrorist propaganda book authored by Aziz Burney on that 'truly Islamic and patently anti-Hindu occasion'.

Islamist Aziz Burney (2nd from Left) and Dhimmi Digvijay Singh (3rd from Right)

Releasing the anti-Hindu, anti-national book authored by Aziz Burney, Dhimmi Digvijay Singh declared with devilish "secular" delight that the Mumbai ATS chief Hemant Karkare had called him, hours before he was killed in the terror attacks during 26/11, to tell him about threats he had received for probing Hindu extremists and their terror links with the RSS.

What is the background for Aziz Burney's book released by Dhimmi Digvijay Singh on 6th December 2010? IN MY VIEW THE VERY PAKISTANI ISLAMIST FORCES WHICH WERE BEHIND THE TERRORIST 26/11 ATTACKS HAVE ALSO BEEN THE GUIDING FACTORS BEHIND THE PUBLICATION OF AZIZ BURNEY'S BOOK 'RSS ka Shadyantra, 26/11 (RSS conspiracy, 26/11)'.

Digvijay Singh is an inseparable part of this anti-national initiative of Aziz Burney. Digvijay Singh has willingly and voluntarily made the continuous and never ending anti-Indian, anti-Hindu and anti-RSS work of the ISI and the Government of Pakistan his own! If he goes on in this vein, I have no doubt that the Government of Pakistan will award him with their Highest Civilian Award, the Nishaan-e-Pakistan for Jihadi anti-RSS and anti-Hindu propaganda rendered effectively behind the (Indian) enemy lines!!! Earlier, on 19th May 1990, MORARJI DESAI got this award for betraying to General Zia ul Haq, the RAW agents in Pakistan who were working for India. This Namak-Haraami (the best Hindi term for traitor) was given the title Bharat Ratna (India's equivalent for Pakistan's Nishaan-e-Pakistan), in 1991.

For more than two years after the Mumbai attacks on 26/11/2008, Aziz Burney has been mischievously presenting what he calls an "alternative" picture through a series of more than 100 Islamic terrorist propaganda articles, which finally culminated in the publication and release of his traitorous book on 6th December 2010. (For Photograph see above)

I have already referred above to the lawsuit that has been filed against Aziz Burney in a Navi Mumbai Court by a great social activist Shri V.V Joshi, for publishing 'unsubstantiated, false, derogatory and malicious reports' in Roznama Rashtriya Sahara about 26/11 Mumbai terror attacks. This case was filed on behalf of his client V.V. Joshi by Advocate Prashant Maggu in the Court of Chief Judicial Magistrate of Navi Mumbai on August 7, 2009 under IPC Sections of 121,108,107,117,124(A),153(A),153(B),505(2) and 506. The lawsuit said that after 26/11 Mumbai Terror attack Roznama Rashtriya Sahara had been consistently publishing the reports of RSS involvement in the attack. Shri V.V Joshi stated in his petition that the writings of Aziz Burney were running counter to and completely contradicting the Official Statements made by External Affairs Ministry as well as Union Home Ministry and Mumbai Police regarding total Pakistani involvement in the 26/11 Mumbai Islamic terrorist attacks of 2008.

The case is still going on in the Navi Mumbai Court. It is understood that the Police have completed their investigation and that there is every possibility of a non-bailable arrest warrant being issued against Aziz Burney, the unabashed champion of Islamic terrorism in India. In this new unfolding situation for the sworn enemy of the citizens of India, it has been reported that Aziz Burney has expressed an al taquiyaa apology on the front-page of both the Hindi and Urdu editions of Rashtriya Sahara. The apology is titled "Aziz Burney ki taraf se safaai aur maafi" (A clarification and apology from Burney).

Aziz Burney talking to a journalist Mumtaz Alam Falahi of twoCircles.net has said: "I have never said the RSS is involved in the November 2008 Mumbai terror attack. After all, I just expressed my doubt about the RSS, against which organization the slain ATS chief Hemant Karkare was investigating in connection with the Malegaon September 2008 blasts. I never said Pakistan is not involved in the attack."

I am giving below the text of the original email apology from Aziz Burney to VV. Joshi dated 28th January 2011.

*From: Aziz Burney burneyazizburney@hotmail.com
Date: 28 January 2011 21:45
Subject: Letter for apology
To: Vinay Joshi murdikar@gmail.com*

"Dear Mr. Vinay Joshi,

Since last two years I am writing various articles regarding 26/11 Mumbai terror attack. You had filed court suit against me and Sahara Publications in Navi Mumbai court for my articles regarding Mumbai attack. I never wrote anything to deliberately hurt the feelings of anyone. But if you are disturbed or hurt due to any article or anything I quoted in my article, then I am extremely sorry for this. Hope you would accept my apology.

Also I am requesting you for the immediate withdrawal of court case filed against me in Navi Mumbai court, as it is creating professional difficulties for me and I cannot afford to bear cost of litigation. I never intended to target India's security apparatus and any patriotic organisation working in India. But if there are any references made in my articles by mistake then I am really sorry for that. I assure you that I will not write anything in future that may hurt anyone and I will take utmost care for the same. Expecting quick withdrawal of court case once again."

I am calling the above apology of Aziz Burney, a typical Al Taqqiyya act of dissimulation and deception practiced by him in the best traditions of Islam. My discerning readers would note that this radical Islamist Aziz Burney has not withdrawn his seditious book from circulation! It is only the really impending threat of being locked up in jail for a long time that has made this Islamic bully come out with the pretension of offering an apology to V.V Joshi. I am heartened by the tough stand taken by V.V Joshi who has openly declared that he has no intention of withdrawing his criminal case of sedition against Aziz Burney filed in a Navi Mumbai Court. Our Nation is proud of the fact that V.V Joshi has seen through the Al Taqqiyya deception and fraud by Aziz Burney.

Further the stinking political scoundrelism of this Islamist Aziz Burney, cast in the mould of a Jinnah or a Suhrawardy of Calcutta "Direct Action" fame, came to the fore when he exclaimed: "If my views are so annoying for RSS then why L K Advani invited me to speak in a program three days ago in New Delhi where the Urdu translation of his book "My Life My Country" was released. If my views are so disturbing for the Government of India then Prime Minister Dr Manmohan Singh should not have taken me on his trip to France and Egypt recently." This open threat packaged in the form of an innocuous observation is enough to qualify him for the Award of Padma Vibhushan, (if he is unlucky to miss the Bharat Ratna Award) for Promotion of Communal Harmony on 25th January 2012! Government of India would hail him as the Maulana Azad of today!

Aziz Burney and Digvijay Singh are the two sides of the same Islamic coin of Congress Secular terror against the Hindus of India. Digvijay Singh and Rahul Gandhi are the two sides of the Congress in-house "Secular" terror against the Hindus of India. Did not Rahul Gandhi tell the former American Ambassador that India faces a greater threat from "Saffron Hindu terrorism" than the ISI-sponsored Jihadi Islamic terrorism? Did not Rahul Gandhi contend that that the RSS and the now-banned Islamic terrorist organization SIMI are the two sides of the same coin?

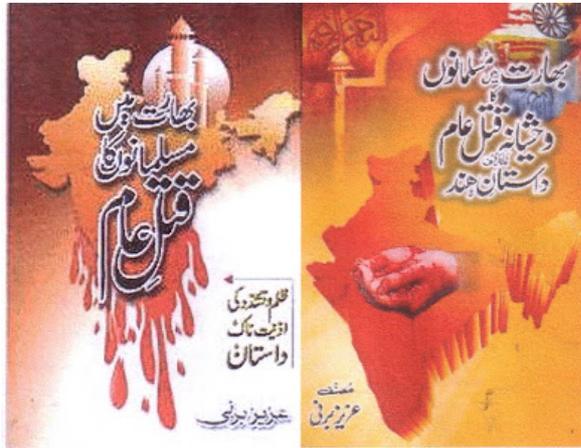

The RSS has fired it's salvo of confrontation against this scurrilously anti-Hindu, anti-RSS and anti-Indian Islamic journalist Aziz Burney. This will be clear from the following story in Hindi which appeared in the popular Hindi newspaper called 'JANSATTA' on 30th December 2010:

See above the article in Hindi on the Morcha launched by RSS against Aziz Burney for his baseless attacks through his articles on the non-existent and fictitious terrorism of the RSS.

Finally, I am presenting below the front cover of a book published by the Islamic marauder Aziz

Burney. The cover page itself and the title bring out the venomous diatribe that this Islamic traitor is launching against India.

Bharat Main Musalmanoun Ka Wahsheeyana Qatal-e-Aam Almaroof Daastan-e-Hind. The map on the cover page shown on the Right above clearly portrays the imaginary and non-existent fact of blood-thirsty slaughter of Muslims in India. We should carefully note that this is not the authorised version of India map as it excludes the Pak-Occupied Kashmir (Courtesy: www.bahoo.org/Bookdes.asp?productid=1011541...)

The front cover of the book of Aziz Burney states as follows: "Bharat Main Musalmanoun Ka Wahsheeyana Qatal-e-Aam Almaroof Daastan-e-hind. The liberal English translation of this anti-National title will be: "The wild and savage massacre of the Muslims of Bharat, in other words, the Story of India". This traitor, this repository of some of the most virulent forms of anti-Indian hatred that have ever corroded the human breast, has taken the patently Pak-inspired treacherous care to exclude the Pak-Occupied Kashmir (POK) from the above Map of India. One cannot expect a whole-time ISI Agent like Aziz Burney to display any more respect towards and true concern for the sacred and sacrosanct Official Map of India.

FINALLY, ONE MORE QUESTION HAS TO BE ASKED IN THE LARGER INTERESTS OF INDIA'S NATIONAL SECURITY AND TERRITORIAL INTEGRITY.

ARE PEOPLE LIKE AZIZ BURNEY TRYING TO RECAST THE POLITICAL, DEMOGRAPHIC AND GEOGRAPHIC MAP OF INDIA IN THE MANNER OF A MOHAMMAD ALI JINNAH? THE ANSWER IS EMPHATICALLY, YES!

Lat year in the month of December 2009, I came across the following map of India drawn by the anti-Indian Islamists in the Pakistani paper website www.pakistanakhbar.com.

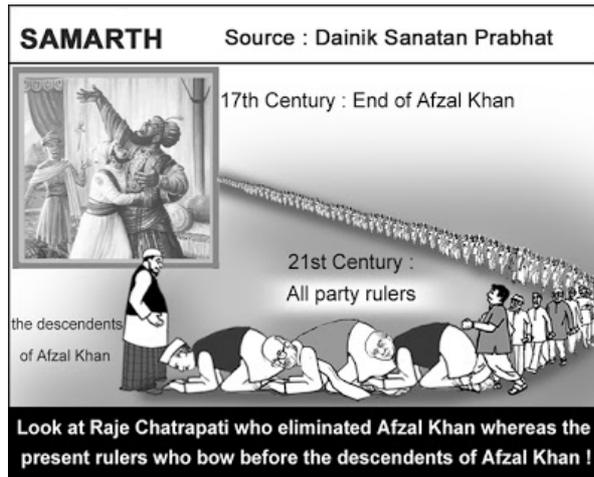

<http://www.pakistanakhbar.com/wp-content/uploads/2009/11/indiapakistan2015.jpg>

The above redrawn map of a further truncated India, drawn up by our inveterate enemies in Pakistan, is the only kind of Indian map which will inspire and gladden the sick and deranged minds and hearts of terrorist Islamists like Aziz Burney on the one hand and no less terrorist "Secular" Congress

of terrorist Islamists like Aziz Burney on the one hand and no less terrorist Secular Congress dhimmis like Digvijay Singh on the other.

I am presenting the following realistic cartoon to illustrate as to how all the political parties and leaders in India, with honourable exceptions like Dr SUBRAMANIAN SWAMY, are in the pay and retainership of Islamic terrorists in India and abroad.

Dr Manmohan Singh and Digvijay Singh are solidly backing Aziz Burney only because he is an inveterate enemy of the Citizens of India in general and the RSS in particular.

It is not therefore surprising, that the Rashtriya Swayamsevak Sangh has summarily rejected the insincere and sham apology tendered by Aziz Burney for hinting in a book that the RSS was behind the 26/11 conspiracy. The RSS has declared that the criminal case against Aziz Burney would not be withdrawn.

The hallmarks of true nobility, goodness and grace, which our Prime Minister Dr Manmohan Singh and former Chief Minister of Madhya Pradesh Digvijay Singh are able to see on the foreheads of "truly compassionate" Muslims like Aziz Burney were more clearly perceived and commented upon with lethal clarity by Sir Winston Churchill in the following immortal words as early as in 1908: These words of Sir Winston Churchill will ring across centuries proclaiming to all the world the true "nobility of Islam", apart from weighing upon the minds of the voters at the time of the next Parliamentary elections in 2014.

"How dreadful are the curses which Islam lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries. Improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live."

"A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property—either as a child, a wife, or a concubine must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Individual Muslims may show splendid qualities. Thousands become the brave and loyal soldiers of the Queen; all know how to die; but the influence of the religion paralyses the social development of those who follow it."

"No stronger retrograde force exists in the world. Far from being moribund, Islam is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science --- the science against which it had vainly struggled --- the civilisation of modern Europe might fall, as fell the civilisation of ancient Rome."

I HAVE GIVEN SUFFICIENT HANDLE TO THE "SECULAR" MUSLIM-APPEASING GOVERNMENT OF INDIA TO PROSCRIBE AND BAN ALL THE BOOKS OF SIR WINSTON CHURCHILL AND ON SIR WINSTON CHURCHILL AS BLATANTLY "COMMUNAL" AND "NON-SECULAR"!!

Three cheers for anti-national Sonia Congress Secularism!!!

No question to forgive this Aziz Burney.

Don't indulge into the shrewd policy of Mr. Aziz Burney, who is cent percent the agent of PAN ISLAM. This is called Al Taquiya. He intends to get removed from the present case.

Unless and until he apologizes for his anti RSS statement in regard to 26/11 and withdraws his book "RSS ki Sazish 26/11?" from the market, don't believe this man.

Mr. Vinay Joshi should continue his legal war against this ANTI INDIAN PERSONALITY. 5

Don't forgive Aziz Burney.

RSS has done a nice thing by rejecting the apology of Rascal Aziz Burney. His actions speak in loud than

his stupid apology. His deliberate attempts to paint Hindus and RSS as elements behind 26/11 proves his connivance and his conspiracy and his support to Pak-Islamic radicals. 5

The reasons

Nice presentation of facts.

But sir, for the present drama presentations on the political arena, the following may be cited as the reasons:

1. True history has been hidden from the eyes of the Hindus cleverly by Congress rulers, as a result, the Hindus have weakened themselves.
2. If anybody, try to rewrite the history, then they are depicted as communalist and branded as untouchable.
3. The media is dominated by the communists, and congress. As a result, nothing would go against them.
4. The present write ups by so called Burneys like people are making false impression on the minds of common educated Hindus adversely against Hindus themselves, for the common educated Hindus are not aware of their own history. For example, the facts are clearly hidden in the case of destruction of Mylai Kapaleeswarar Temple by Dutch and the present temple is only of about 300 years old. How many educated non-political Hindus know of this fact? If they happen to read, Burneys books, then they will go all out and appease the terrorists without actually knowing what they do.
5. As usual, majority of Hindus are non-concerned about their religion unlike Muslims and Christians. Hindus of US or Canada or UK normally have some kind of awareness, because they feel the place where they are living is not theirs. So, politically, they unite. But mind you sir, they have been living there for the last hundred years or so. This is not the case here. Muslims have been here for thousands of years. They separated themselves from India and got Pak and Bangladesh. They are ruling on their own in J and K. Instead of mingling on the main stream, they behave as if this is not their country and will always go back to their country of some origin. What a myth. This is being encashed by Congress and sometimes by Communists. Even TN Parties are not far behind. Even though Hindu NRIS behave as per the rule of the land they live in, this is lacking with respect to Muslims. 5
