The Massachusetts Port Authority (MASSPORT) had a contest in 2003 for a 1.6 acre for a 9/11 memorial at the entrance to Boston Logan Airport's Terminal Area and is located adjacent to the Hilton Hotel and the West Garage. The memorial site was selected because of its visibility, pedestrian accessibility, and proximity to the Hilton Hotel, the center of Care Team operations (Care Teams from the Authority and the airlines administered to the friends and families of the 9/11 passengers).

It commemorates the victims of American Airlines Flight #11 which left from Gate 26 Terminal B and United Flight 175 which crashed into the World Trade Center after being hijacked from the airport.
